Moe: The sky is grey and white and cloudy

Sometimes I think it's hanging down on me.¹

I get sick of living in the city

Everyone's a liar and a thief.²

The smoke hung on the skyline

The city fell in silence

The sunset, ripe and mellow

Was the light to write some thoughts by.³

I look through my window so bright

I see the stars come out tonight.⁴

I see a darkness.⁵

Hello darkness, my old friend,

I've come to talk to you again.⁶

With the lights out, it's less dangerous.⁷

¹ Simon & Garfunkel: Cloudy

² Primal Scream: Medication

³ Edgar Broughton Band: Evening over Rooftops

⁴ Iggy Pop: The Passenger

⁵ Bonnie Prince Billy: I see a Darkness

⁶ Simon & Garfunkel: Sound of Silence

⁷ Nirvana: Smells like Teen Spirit

I only smile in the dark.
 My only comfort is the night gone black.⁸
 I've built walls
 A fortress deep and mighty
 That none may penetrate.
 I have no need of friendship,
 Friendship causes pain.
 It's laughter and it's loving I disdain.
 I am a rock. I am an island.⁹
 All in all it was all just bricks in the wall.¹⁰
 Encumbered forever by desire and ambition,
 There's a hunger still unsatisfied.
 Our weary eyes still stray to the horizon,
 Though down this road we've been so many times.¹¹
 There are places I'll remember
 All my life, though some have changed,
 Some forever, not for better,
 Some have gone and some remain
 All these places had their moments
 With lovers and friends, I still can recall.¹²
 Living alone, I think of all the friends I've known,¹³
 All these double knit strangers with
 Gin and vermouth and recycled stories,¹⁴
 but when I dial the telephone nobody's home.¹⁵

8 Garbage: Only happy when it rains
 9 Simon & Garfunkel: I am a Rock
 10 Pink Floyd: Another Brick in the Wall
 11 Pink Floyd: High Hopes
 12 The Beatles: In my Life
 13 Eric Camen: All by myself
 14 Tom Waits: Warm Beer & cold Women
 15 Eric Camen: All by myself

I'm a stranger here. I'm a stranger everywhere.¹⁶
 All in all it was all just bricks in the wall.¹⁷
 I look around. Leaves are brown.¹⁸
 The falling leaves drift by my window.
 The falling leaves of red and gold.¹⁹
 How far are we from dying,
 Is it nearly at an end?²⁰
 And everybody knows that the plague is coming,
 Everybody knows that it's moving fast.²¹
 It starts with an earthquake, birds and
 snakes, an aeroplane and Lenny Bruce is not afraid.²²
 Where did all the blue sky go?
 Poison is the wind that blows
 From the north, east, south, and sea.²³
 Oil wasted on the oceans and upon our seas fish full of mercury.²⁴
 Darkness falls across the land,
 The midnight hour is close at hand,
 Creatures crawl in search of blood
 To terrorize y'alls neighborhood.²⁵
 Broken glass everywhere.

²⁵ Michael Jackson: Thriller

People pissing on the stairs, you know they just don't care.
 I can't take the smell, I can't take the noise no more.²⁶
 Silence tells me secretly everything.²⁷
 Words like violence break the silence,
 Come crashing in into my little world.²⁸
 The human race was dyin' out,
 No one left to scream and shout.
 People walking on the moon,
 Smog will get you pretty soon.²⁹
 Wild raging waters
 Caused chain reactions,
 Ocean turns to a deadly wave,
 The deluge a watery grave.³⁰
 Radiation in the ground and in the sky,
 Animals and birds who live nearby are dying.
 Oh, mercy mercy me.³¹
 The earth shall soon dissolve like snow,
 The sun forbear to shine.³²
 It's gonna rain.³³
 It's a hard rain's a-gonna fall.³⁴
 Black hole sun, won't you come and wash away the rain?³⁵

Let me, let me, freeze again to death.³⁶
 Black hole sun, won't you come? Won't you come?³⁷
 And it really doesn't matter if
 I'm wrong. I'm right.³⁸
 It doesn't matter if we all die.³⁹
 If the sky that we look upon should tumble and fall,
 Or the mountain should crumble to the sea,
 I won't cry. I won't cry. No I won't shed a tear.⁴⁰
 Nothing really matters, nothing really matters to me.⁴¹
 When the weight of the world has got you down
 And you want to end your life,
 Bills to pay, a dead-end job,
 And problems with the wife.
 But don't throw in the towel,
 'Cause there's a place right down the block,
 Where you can drink your misery away
 At Flaming Moe's ...⁴²

(The door makes a sound ...)

Listen to that cheerful cry,
 That's my sweetheart passing by.
 Now the voice fades down the street,
 That was not my darling sweet.

(Johnny comes in.)

I sometimes see you pass outside my door.⁴⁴

Johnny: I am the passenger.⁴⁵

Moe: Hello! Is it me you're looking for?⁴⁶

Johnny: One bourbon, one scotch, one beer.⁴⁷

Moe: If I knew you were coming, I'd have baked a cake.⁴⁸

Johnny: This place is a diamond but it's trapped in the rough.⁴⁹

A coffee machine that needs some fixing.⁵⁰

Damn good address for a rat.⁵¹

Moe: Well the sign still says Moe's, so enough of your guff.⁵²

Johnny: Oh, I love trash!

Anything dirty or dingy or dusty,

Anything ragged or rotten or rusty

Yes, I love trash.⁵³

Moe: Well the sign still says Moe's, so enough of your guff.⁵⁴

Johnny: When I was younger, so much younger than today

I never needed anybody's help in any way.⁵⁵

And making love was just for fun.

Those days are gone.⁵⁶

Once I was so sure.
Now the doubt inside my mind
Comes and goes, but leads nowhere.⁵⁷

Moe: Those were the days my friend,
We thought they'd never end.⁵⁸

Johnny: Will I live tomorrow? Well, I just can't say.
But I know for sure I don't live today.⁵⁹
No New Year's Day to celebrate,
No chocolate covered candy hearts to give away.
No first of spring,
No song to sing,
In fact here's just another ordinary day.⁶⁰

Moe: What a dull day.⁶¹

Johnny: No sun coming through my windows,
Feel like I'm sitting at the bottom of a grave.⁶²
The traffic lights they turn blue tomorrow
And shine their emptiness down on my bed.⁶³
Days of speed and slow time Mondays
Pissing down with rain on a boring Wednesday-
Watching the news and not eating your tea,
A freezing cold flat and damp on the walls ...

Moe: That's entertainment.⁶⁴

Johnny: All I want in life's a little bit of love to take the pain away.⁶⁵

⁵⁷ Japan: Ghosts

⁵⁸ Mary Hopkins: Those were the days

⁵⁹ Jimi Hendrix: I don't live today

⁶⁵ Spirizualized: Ladies and Gentlemen we are floating in Space

I have become comfortably numb.⁶⁶

I'm waiting for the agony to stop.

Moe: Oh, let the happiness in.⁶⁷

Johnny: I'm about to drop, my head's a mess.⁶⁸

I must love what I destroy and destroy the thing I love.⁶⁹

There's too much confusion, I can't get no relief.⁷⁰

Thoughts meander like a restless wind inside a letter box,

They tumble blindly as they make their way across the universe.⁷¹

Like a carousel that's turning,

Running rings around the moon

Like a clock whose hands are sweeping

Past the minutes on its face.

Moe: And the world is like an apple,

Spinning silently in space,

Like the circles that you find

In the windmills of your mind.⁷²

Johnny: I saw my reflection in a window.

I didn't know my own face.⁷³

I'll go walking in circles

While doubting the very ground beneath me.⁷⁴

Yesterday, all my trouble seemed so far away.

Now it looks as though they're here to stay.⁷⁵

⁷⁵ The Beatles: Yesterday

Yesterday seems as though
It never existed.
Death greets me warm.
Now I will just say goodbye.⁷⁶
Suicide is painless,
It brings on many changes,
And I can take or leave it if I please.⁷⁷
I never opened myself this way.⁷⁸

Moe: Well I can see, there's something wrong with you,
But what do you expect me to do?⁷⁹

Johnny: Listen to my tale of woe,
It's terribly sad but true.⁸⁰
Rather spend the evening getting drunk
Than getting laid.⁸¹
Went to a party,
I danced all night,
I drank 16 beers.⁸²
The boys at the bar were betting, whose beer was the best.
I didn't have a nickel, so they chose me to make the test.
Those fifteen different kinds of beer were wonderful to me.
Each one was my favourite brew, the beer I drink for
free.⁸³
I tell all the girls they can kiss my heinie.⁸⁴
And I started up a fight.⁸⁵

⁷⁶ Metallica: Fade to Black

Moe: You gotta fight for your right to party.⁸⁶

Johnny: You don't even know about this girl I met last night.

She was bad.

You've never seen nothing like it, trust me.⁸⁷

She lives on Love Street.⁸⁸

That girl is pretty wild now,

The girl's a super freak,

The kind of girl you read about

In new-wave magazine.⁸⁹

She was there at the bar, she heard my guitar.⁹⁰

There she stood in the doorway, I heard the mission bell.

Then I was thinking to myself, this could be heaven or this could be hell.⁹¹

She was long and tall, she was the queen of them all.⁹²

I asked her to marry me, she smiled and pulled out a knife.

The party's just beginning, she said, it's your money or your life.⁹³

Woke up this morning and found myself dead.⁹⁴

⁹⁴ Jimi Hendrix: Woke up this Morning and found myself dead

Nothing to do 'till it's dark,
When I'll be drunk again.⁹⁵

I'm a loser baby, so why don't you kill me?⁹⁶

Moe: Don't make me kill, don't make me kill somebody.⁹⁷

Johnny: But I'm a creep.

I'm a weirdo.

What the hell am I doing here?

I don't belong here.⁹⁸

Moe: Everybody knows that you're in trouble

Everybody knows what you've been through.⁹⁹

Johnny: Nobody knows the trouble I've seen;

Nobody knows my sorrow.¹⁰⁰

Moe: In every life we have some trouble,

When you worry you make it double,

Don't worry, be happy.¹⁰¹

Are you somewhere feeling lonely,

Or is someone loving you?¹⁰²

Johnny: I'm just a poor boy, nobody loves me.¹⁰³

It's hard to believe that there's nobody out there,

It's hard to believe that I'm all alone.¹⁰⁴

Another lonely day

With no one here but me.

⁹⁵ Hogwash: Sunday Morning

More loneliness
 Than any man could bear.
 Rescue me before I fall into despair,
 I'll send an SOS to the world.¹⁰⁵
 All is loneliness here for me.¹⁰⁶
 I have climbed the highest mountain,
 I have sailed across the sea,
 I have wrestled with my demons
 And woke up with only me,
 I have been around the block
 Three times, maybe four,
 And I think, I deserve just a little more.¹⁰⁷
 Sometimes I feel I'm gonna break down and cry.
 Nowhere to go ...¹⁰⁸

Moe: There's a place right down the block,
 Where you can drink your misery away.¹⁰⁹

Johnny: Nothing to do with my time.
 I get lonely, so lonely, living on my own.¹¹⁰
 I just can't make it alone.¹¹¹
 I'm so lonesome, I could cry.¹¹²
 Yes, I'm lonely, wanna die.¹¹³

¹¹² Hank Williams Sr.: I'm so lonesome I could cry
¹¹³ The Beatles: Yer Blues

But I just keep on laughing,
Hiding the tears in my eyes,
'Cause boys don't cry.¹¹⁴

Moe: Now you say you're lonely,
You cry the long night through.
Well, you can cry me a river,¹¹⁵
You need a beer.¹¹⁶

Johnny: Always alone, alone and blue.
I've got no one to tell my troubles to.
No one to care, to call my own.
It seems that I must always be alone.¹¹⁷

Moe: I don't know why nobody told you
How to unfold your love.

Johnny: Black cloud crossed my mind,
Blue mist round my soul,
Feel so suicidal,
Even hate my rock and roll.¹¹⁸
All things dull and ugly,
All creatures short and squat,
All things rude and nasty,
The Lord God made the lot.¹¹⁹
Life isn't everything.¹²⁰

Moe: Fuck the pain away!¹²¹

Johnny: Fuck you, I won't do what you tell me.¹²²

¹¹⁴ The Cure: Boys don't cry

¹¹⁶ Parry Gripp: You need a Beer

¹¹⁷ Johnny Cash: Always Alone

¹¹⁸ The Beatles: Yer Blues

¹¹⁹ Monty Python: All Things dull and ugly

¹²⁰ Elton John: Song for Guy

¹²¹ Peaches: Fuck the Pain away

Life is war, and every day's a battle to me.
 I'm on the brink of insanity, between extreme intelligence and
 split personalities.¹²³
 Been dazed and confused for so long, it's not true.¹²⁴
 Communication Breakdown, It's always the same,
 I'm having a nervous breakdown, drive me insane!¹²⁵
 It's like a jungle sometimes,
 It makes me wonder
 How I keep from going under ...¹²⁶

Moe: If life seems jolly rotten, there's something you've forgotten,
 And that's to laugh and smile and dance and sing.
 When you're feeling in the dumps, don't be silly, chumps,
 Just purse your lips and whistle, that's the thing.¹²⁷

Johnny: I'm on warm milk and laxatives,
 Cherry flavored antacids.¹²⁸
 Now the drugs don't work.¹²⁹
 In the morning wanna die.
 In the evening wanna die.
 If I ain't dead already,
 Ooh boy you know the reason why.¹³⁰

Moe: Studies show:

Intelligent girls are more depressed,
Because they know what the world is really like.¹³¹

Jack: And so I cry sometimes when I'm lying in bed,
Just to get it all out, what's in my head
And I, I am feeling a little peculiar.¹³²

Moe: If you're on your own in this life,
The days and nights are long,
When you think you've had too much of this life to hang on,
Well, everybody hurts sometimes,
Everybody cries.¹³³

Johnny: It seems no one can help me now,
I'm in too deep, there's no way out.
This time I have really led myself astray.¹³⁴

Moe: If you want to live high, live high.
And if you want to live low, live low.
'Cause there's a million ways to go.
You know that there are.¹³⁵
When you're down and troubled,
And you need a helping hand,
And nothing, whoa, nothing is going right,
Close your eyes and think of me, and soon I will be there
To brighten up even your darkest night.¹³⁶
I can be your waiter,
Owner of the club.

¹³⁶ Carole King: You've got a Friend

You know you could have whatever
You wanna do. I'll do whatever you want to.
Serve whatever you want to.¹³⁷
Happiness is just a Flaming Moe away.¹³⁸

Johnny: Dark is the night, cold is the ground
In the circular solitude of my heart,
As one who strives a hill to climb,
I am sure I'll come through, I don't know how.
They say an end can be a start,
Feels like I've been buried yet I'm still alive.¹³⁹

Moe: Do you think that I know something you don't know?
What do you want from me.¹⁴⁰

Johnny: Yes, I'm just a soul whose intentions are good.
Oh Lord, please don't let me be misunderstood.¹⁴¹
One bourbon, one scotch, one beer.¹⁴²

Moe: Your lips move, but I can't hear what you're saying.¹⁴³

Johnny: One bourbon, one scotch, one beer.¹⁴⁴

All I wanna do is have some fun,
I got a feeling I'm not the only one.¹⁴⁵

I will dry them all.¹⁴⁶

¹⁴⁶ Simon & Garfunkel: Bridge over troubled Water

Though your dreams be tossed and blown.
Walk on, walk on with hope in your heart.¹⁴⁷
And if at first you don't succeed,
Then dust yourself off and try again,
You can dust it off and try again, try again.¹⁴⁸

Johnny: For millions this life is a sad vale of tears,
Sitting round with nothing to say,
While scientists say we're just spiralling coils
Of self-replicating DNA.
So just why, why are we here?¹⁴⁹

Moe: One bourbon, one scotch, one beer.¹⁵⁰

Johnny: We're just two lost souls
Swimming in a fish bowl,
Year after year,
Running over the same old ground,
What have we found?¹⁵¹

Moe: One bourbon, one scotch, one beer.¹⁵²

Johnny: These are a few of my favorite things.¹⁵³
All my favorite things have changed.
But what the hell. Hello, cruel world.¹⁵⁴
You are so beautiful, to me.¹⁵⁵

That was not my darling sweet.

(Jack comes in quick. He slams the door.)

Johnny: Ho la hi!

Moe: Ho la ho!¹⁵⁶

Johnny: Hello! Is it me you're looking for?¹⁵⁷

Jack: Can you give me sanctuary?

I must find a place to hide,

A place for me to hide.¹⁵⁸

Oh, what have I done; why have I done it?

I've committed a crime, I've broken the law.¹⁵⁹

I got my black shirt on.

I got my black gloves on.

I got my ski mask on.¹⁶⁰

For twenty-five dollars and pieces of silver

I held up and robbed a hard liquor store.¹⁶¹

Just killed a man.¹⁶²

Here is something you can't understand,

How I could just kill a man.¹⁶³

Put a gun against his head,

Pulled my trigger, now he's dead.¹⁶⁴

Sirens sound aloud, police getting' their orders
To stop me from reachin' the border.¹⁶⁵

Johnny: Hit the road, Jack, and don't you come back, no more.

Jack: What'd you say?

Moe: Hit the road, Jack.¹⁶⁶ You better run for your life if you can.¹⁶⁷

Jack: My life seems unreal, my crime an illusion,
A scene badly written, in which I must play.¹⁶⁸

Now I'm not looking for absolution,

Forgiveness for the things I do.

But before you come to any conclusions -

Try walking in my shoes.¹⁶⁹

A lifetime serving one machine
is ten times worse than prison.¹⁷⁰

Moe: Could it be, could it be that you're joking with me?¹⁷¹

Jack: I joke with you!¹⁷²

Johnny: It's nice to meet you once again.¹⁷³

Why do we always come here?

Jack: I guess, we'll never know.

The reason I came in here

Is, I screwed up real bad.

She's made it mighty clear,

She ain't never comin' back.

Moe: That'll make you wanna drink.¹⁷⁹

Jack: I had this girl.¹⁸⁰

She's a pornographer's dream.¹⁸¹

Something in the way she moves

Attracts me like no other lover.¹⁸²

She knows in society, she either is

A devil or an angel with no in between.¹⁸³

She said she loved me,

Thought there was no one ever above me,

She wanted to marry and have my child,

But evil dick he had to get buck wild.

Took me out one night, out with the freaks,

If ever there was pussy, evil dick would seek.¹⁸⁴

 My girl caught me skeezin' she said,
 I wasn't shit!
 I said, "It wasn't me, baby.
 It was the motherfucker evil dick!"¹⁸⁷
 I'm doc, doc, doctor Dick.¹⁸⁸

Johnny: Get up! Stay on the scene like a sex machine.¹⁸⁹

Moe: Be careful of what you do,
 And don't go around breaking young girls hearts.¹⁹⁰

Jack: I'm too sexy for my love, too sexy for my love.
 Love's going to leave me.¹⁹¹
 Now she's gone.¹⁹²
 I hate to lose that woman,
 Hate to say goodbye.¹⁹³
 How the hell does a broken heart
 Get back together when it's torn apart?¹⁹⁴
 It took all the strength I had not to fall apart,
 Kept trying' hard to mend the pieces of my broken heart.¹⁹⁵
 I am, what I am - so damn.¹⁹⁶

Jack: She kept saying, "You're gonna miss me."
But I never did take her seriously.
I guess, her gift of prophecy was real. Amen.

Johnny: Hallelujah! Hallelujah! Hallelujah!¹⁹⁹

Moe: He's crazy.²⁰⁰

Johnny: The lunatic is in my²⁰¹ supercalifragilisticexpialidocious²⁰²

In the next three minutes, if I don't get a drink,
You ain't seein' pink.²⁰⁶

Johnny: Hey, mister bartender, come here,

Johnny: One bourbon, one scotch, one beer.²¹²

Johnny: Let's get together and feel all right.²¹³

Moe: I'm here to say,
If you want to drink beer,
Well, Duff's the only way!
I said, the only way!²¹⁴

Jack: Duff beer for me.

Johnny: Duff beer for you.

Jack: I'll have a Duff.

Johnny: You have one, too.²¹⁵

Jack: In Heaven there is no beer.

Johnny: No beer?

Jack: That's why we drink it here,
And when we're all gone from here,
Our friends will be drinking all the beer.²²²

Moe: When I was seventeen
I drank some very good beer,
I drank some very good beer, I purchased with a fake ID.
My name was Brian McGee,
I stayed up listening to Queen
When I was seventeen.²²³

Johnny: Beer, beer,
I want beer,
From beer I get really drunk,
Beer, beer,
I need more beer,
So much I pass out.²²⁴

Jack: Some guys like that bottled beer.

Johnny: Some like it in a can.

Jack: Some say a keg's the best beer
For a real beer drinking man.

Johnny: Everyone has their favourite,
But on one thing they agree
The greatest beer in all the world
Is the one you drink for free.²²⁵

Jack: For beer I'm working,
For beer I'm fighting,

²²² Brave Combo: In Heaven there is no Beer

²²³ The Simpsons: It was a very good beer

²²⁴ Kopriklaani: Beer Beer

²²⁵ Da Yoopers: Free Beer

For beer I'll do
 Whatever I have to,
 When drunk I'm talking,
 When drunk I'm joking.²²⁶
Johnny: When drunk I can be as I've
 Always wanted to be.²²⁷
 I don't ever wanna drink again,
 I just, ooh, I just need a friend.²²⁸
Jack: I wish you were a beer,
 Then I could drink you up.²²⁹
Jack: When the weight of the world has got you down.
Johnny: And you want to end your life.
Moe: Bills to pay, a dead-end job.
Jack: And problems with the wife.
Johnny: But don't throw in the towel,
 'Cause there's a place right down the block.
Jack: Where you can drink your misery away,
 At Flaming Moe's ...²³⁰
Moe: Happiness is just a Flaming Moe away.²³¹
Jack: Prophets I've been reading,

²³³ John Lee Hooker: One Bourbon, one Scotch, one Beer

Jack: All this talk of getting old,

It's getting me down my love

Like a cat in a bag, waiting to drown.²³⁵

Johnny: I think, it was better yesterday,

that was when I had a hold on life, my goals and my dreams.

A straighter mind, a straighter way to think.

You know what I mean?²³⁶

They tried to make me go to rehab.

Jack: I said, "No, no, no."²³⁷

Johnny: One bourbon, one scotch, one beer.²³⁸

Jack: I've been used, I've been abused

I've had, baby, my regrets,

I've been lost, I paid the cost,

But there's one thing I ain't gonna forget:²³⁹

One bourbon, one scotch, one beer.²⁴⁰

'Cause it's a bittersweet symphony, this life

Trying to make ends meet,

You're a slave to money then you die.²⁴¹

Johnny: Well, I worked, shiftwork,

Ten years man, I hated that work,

Then I made a break with the money I saved,

It took me to the beach to have a beer by the edge of the sea,

And this 'round a clock place

I drank my money away,

²⁴¹ The Verve: Bittersweet Symphonie

We partied,
Seven to three,
Three to eleven,
Eleven to seven.²⁴²

Jack: I got a job in Atlanta in a mall playing Santa,
Not because of any talent, but because I was the
only one the suit would fit.
Everybody shopping, little sticky kids were hopping
on my lap with their fingers in my beard,
I guess, they thought that I was really it.²⁴³
Up in the mornin', out on the job,
Work like the devil for my pay.

Moe: But that lucky old sun has nothin' to do.

Johnny: But roll around heaven all day.²⁴⁴

Jack: The working man, the working man like me.²⁴⁵
There are people in this country who work hard every day,
Not for fame or fortune do they strive.²⁴⁶
I ain't never been on welfare, that's one place I won't be.
Cause I'll be working long as my two hands are fit to use.²⁴⁷
I can ride, rope, hammer and paint.
Do things with my hands that most men can't.²⁴⁸
I'll drink my beer in a tavern,
Sing a little bit of these working man blues.²⁴⁹

Johnny: What are your hands, Jack?

²⁴² Chesney Kenny: Shiftwork

²⁴³ Alice Cooper: No Man's Land

²⁴⁹ Merle Haggard: Workin' Man Blues

Jack: Black from the coal.

Moe: What is your back, Jack?

Jack: Snapped and cracked from digging it.²⁵⁰

I was farmin' on the shares and always I was poor.

My crops I laid into the banker's door,

And my wife took down and died upon the cabin floor,

And I ain't got no home in this world anymore.²⁵¹

And I've seen a lot of good folks die who had a lot of bills to pay,

I'd give the shirt right off of my back if I had the guts to say.²⁵²

Moe: It's just another night of

plastic cup politics.²⁵³

God is great, beer is good and people are crazy.²⁵⁴

Jack: Maybe this just means that I'm not drunk enough.²⁵⁵

Johnny: Everybody knows that the war is over,

Everybody knows the good guys lost,

Everybody knows the fight was fixed,

The poor stay poor, the rich get rich.²⁵⁶

Jack: It would be a little obvious

To fence off all the slums,

Hand out machine guns

To the poor in the projects

And watch 'em kill each other off,

A more subtle genocide is when

The only hope for the young

²⁵⁰ Doug Anthony: Jack

²⁵¹ Bruce Springsteen: I ain't got no Home

²⁵² Paycheck Johnny: Take this Job and shove it

²⁵³ Less Than Jake: Plastic Cup Politics

²⁵⁴ Billy Currington: People are crazy

²⁵⁵ Adele: Not drunk enough

²⁵⁶ Leonard Cohen: Everybody knows

Is to join the Army and slowly die
Wall Street or Crack Dealer Avenue,
The last roads left to the American Dream.²⁵⁷

Johnny: Nations are now corporate colonies.
Robber barons in high castles have the nerve to call this free
trade.²⁵⁸

Jack: Most of my Latino and black people who are struggling to get
food, clothes and shelter in the hood are so concerned with that,
That philosophising about freedom and socialist democracy is
usually unfortunately beyond their rationale. They don't realize
that America can't exist without separating them from their
identity, because if we had some sense of who we really are,
There's no way in hell we'd allow this country to push it's
genocidal consensus on our homelands. This ignorance exists,
But it can be destroyed.²⁵⁹

Moe: We've been spending most our lives
Living in the Gangsta's Paradise.²⁶⁰

Jack: Jesus was a terrorist,
Enemy of the state,
That's what the Romans labeled him,
So he was put to death,
He died for his beliefs,
What's changed today?
Today bible-thumping cannibals
Reap money from his name.

²⁵⁸ Jello Biafra: New Feudalism

²⁵⁹ Immortal Technique: Poverty of Philosophy

²⁶⁰ Coolio: Gangsta's Paradise

Johnny: I believe I'll have another cocktail please.²⁶³

I am an Antichrist. I am an anarchist.

I know what I want and I know how to get it.²⁶⁴

Cause only anarchists are ...

Moe: Only anarchists are?

Johnny: Only anarchists are pretty.²⁶⁵

Moe: What we're dealing with here is a total lack of respect for the
law.²⁶⁶

Are you ready to stand up and fight the right revolution?

Are you ready to stand up and fight it just like soldiers?

Many are called, few are chosen.²⁶⁷

We all want to change the world,

But when you talk about destruction,

Don't you know that you can count me out.²⁶⁸

Johnny: I'm the law and you can't beat the law.²⁶⁹

Where they teach you how to be thick.²⁷⁰
We don't need no education,
We don't need no thought control,
No dark sarcasm in the classroom,
Teacher, leave them kids alone.²⁷¹

Moe: It's possible to change this world,
Revolutionise the boys and girls.
It's possible to educate
The next generation that will rule the world someday.²⁷²

Jack: There really is nothing nice about USA.
You go to the hospital you have to pay.
The dollar is the language that they all speak.
They don't really bother about the radiation leak.

Johnny: Fuck the USA.²⁷³

Jack: They keep their secrets undercover,
The rich don't bother about those that suffer,
This ain't the land of milk and honey.

Moe: This land is your land, this land is my land,
From California ...²⁷⁴

Johnny: California über alles ...²⁷⁵

Fuck they're all the same - just the names are changed.
Fuck there's no excuse, any way you lose.
It's all a joke in the good old USA.²⁷⁸

Moe: Money makes the world go around.²⁷⁹

Jack: Money so they say is the root of all evil today.²⁸⁰

Moe: Some say that money is the root of all evil,
It's not the love but the lust of it that makes men greedy.²⁸¹

Johnny: While they're standing in the welfare lines,
Crying at the doorsteps of those armies of salvation,
Wasting time, in the unemployment lines,
Sitting around, waiting for a promotion.²⁸²

Jack: Life in the streets ain't easy,
All I see is pain and misery.²⁸³

Moe: Don't you know, they're talkin' 'bout a revolution,
It sounds like a whisper.

Jack: The revolution will not go better with Coke.

Johnny: The revolution will not fight the germs that may cause bad
breath.

Jack: The revolution will put you in the driver's seat.

Johnny: The revolution will not be televised.

Jack: Will not be televised.²⁸⁴

Johnny: Poor people gonna rise up and get their share.

Moe: Such a strange vibration, people in motion.

Johnny: There's a whole generation with the new explanation.²⁸⁶

Jack: Last night I had the strangest dream I've ever known before,
I dreamed that all the world agreed to put an end to war.
I dreamed I saw a mighty room the room was filled with men,
And the papers they were signing said they'd never fight again.
And when the paper was all signed and a million copies made,
They all joined hands and bowed their heads and grateful prayers
were prayed.
The people in the streets below were dancing round and round,
While swords and guns and uniforms were scattered to the
ground.²⁸⁷

Moe: I was once like you are now,
And I know it's not easy
To be calm, when you found, something going on,
Take your time, think a lot,
Think of everything you've got,
For you may still be here tomorrow, but your dreams may not.²⁸⁸

Jack: Imagine there's no countries.
It isn't hard to do,
Nothing to kill or die for.

Johnny: And no religion too.

Jack: Imagine all the people Living life in peace.²⁸⁹

 All we need is more factories pumping filth into the sky.
 Corporate greed and perverted priests, it's the story of our lives.
 And apathy's the national disease and there is no end in sight.
 God save the USA - blame the president and say your prayers

Johnny: The irony of liberty is no one here is truly free.²⁹⁵
 A military industrial illusion of democracy.²⁹⁶

Jack: Is freedom of speech such a terrorist act?²⁹⁷

Johnny: How many years can some people exist
 before they're allowed to be free?²⁹⁸

Jack: Is spiritual peace such a satanic threat?

Moe: Believe what you want.²⁹⁹

And over time we've learned from the past,

That no man's fit to rule the world alone.

A man will die but not his ideas.³⁰⁵

Jack: Well, you're my friend and can you see,

Many times we've been out drinking

And many times we've shared our thoughts,

Did you ever, ever notice the kind of thoughts I got?³⁰⁶

Was doing a thing called the Crocodile Rock,

While the other kids were rocking round the clock,

We were hopping and bopping to the Crocodile Rock.³²⁵

Ee a round and a round and a up and down we go again,

Oh, baby make me know you love me so and then

Twist again, like we did last summer,

Johnny: How long does it last?
Can love be measured by the hours of a day?
I have no answers now, but this much I can say,
I know I’ll need him till the stars all burn away
And he’ll be there.³⁶³

Moe: Don’t talk of love,
Well I’ve heard the words before,

³⁵⁹ Belle & Sebastian: Black and White unite

³⁶⁰ U96: Love sees no Color

³⁶¹ Rick Astley: Never gonna give you up

³⁶² The Beatles: When I’m 64

³⁶³ Andy Williams: Where do I begin

It's sleeping in my memory,
I won't disturb the slumber of feelings
That have died,
If I never loved I never would have cried.³⁶⁴

Jack: Words fall through me and always fool me.³⁶⁵

Moe: Words don't come easy to me.³⁶⁶

Jack: Words are spoken to be broken.

Feelings are intense, words are trivial,
Pleasures remain, so does their pain,
Words are meaningless and forgettable,
All I ever wanted, all I ever needed,
Is here in my arms.³⁶⁷

Johnny: I wasn't jealous before we met,

Now every woman I see is a potential threat,
And I'm possessive, it isn't nice.
You've heard me saying that smoking was my only vice.
But now it isn't true, now everything is new,
And all I've learned has overturned, I beg of you.
Don't go wasting your emotion,
Lay all your love on me.³⁶⁸
Oh, my love.

Jack: My darling.³⁶⁹

Moe: Stop! In the name of love.³⁷⁰

³⁶⁴ Simon & Garfunkel: I am a Rock
³⁶⁵ Glen Hansard & Marketa Irglova: Falling Slowly
³⁶⁶ F.R. David: Words
³⁶⁷ Depeche Mode: Enjoy the Silence
³⁶⁸ ABBA: Lay all your Love on me
³⁶⁹ Les Baxter: Unchained Melody
³⁷⁰ The Supremes: Stop! In the Name of Love

Jack: Take the time and do it right,
‘Cause we can kill the feeling,
Keep it slow and sexy,
Instant aphrodisiac,
For the love of me,
Keep it slow and sexy.³⁷¹

Johnny: Quit playing games with my heart.³⁷²

Jack: I wanna love you but I better not touch.

Johnny: I wanna hold you, but my senses tell me to stop.

Jack: I wanna kiss you but I want it too much.

Johnny: I wanna taste you but your lips are venomous poison.³⁷³

Because maybe
You’re gonna be the one that saves me
And, after all, You’re my wonderwall.³⁷⁴

Jack: I love you,
But I gotta stay true.
My morals got me on my knees.
I’m beggin’ please.³⁷⁵

Johnny: Well I guess it would be nice if I could touch your body,
I know not everybody has got a body like you.³⁷⁶

Jack: I love your body not so much, I like your mind.³⁷⁷

Johnny: Your angel smile, your gentle touch
Are all I’m dreaming of.³⁷⁸

³⁷¹ Shabba Ranks: Slow and sexy

³⁷² The Backstreet Boys: Quit playing Games (with my Heart)

³⁷³ Alice Cooper: Poison

³⁷⁴ Oasis: Wonderwall

³⁷⁵ Duffy: Mercy

³⁷⁶ George Michael: Faith

³⁷⁷ Sin with Sebastian: Shut Up

³⁷⁸ Elvis Presley: Young and Beautiful

I've hungered for your touch
A long lonely time,
And time goes by so slowly ,
And time can do so much.³⁷⁹
Don't talk, just kiss,
Let your tongue fool around.³⁸⁰

Jack: Let's talk about sex, baby.

Johnny: Let's talk about you and me.

Jack: Let's talk about all the good things.

Moe: And the bad things that may be.³⁸¹

They say always use a condom ...

Johnny: I say always use a whip.³⁸²

Jack: Shut up and sleep with me.

Come on, why don't you sleep with me?³⁸³

Why don't we do it in the road?

No one will be watching us,

Why don't we do it in the road?³⁸⁴

Because the night belongs to lovers,

Because the night belongs to lust.³⁸⁵

Moe: Stop! In the name of love.³⁸⁶

(He rings a bell.)

Moe: God is great, beer is good and people are crazy,

Last call it's 2 a.m.³⁸⁷

³⁷⁹ Righteous Brothers: Unchained Melody

³⁸⁰ Right Said Fred: Don't Talk just Kiss

³⁸¹ Salt 'n' Pepa

³⁸² Beautiful South: Mini-correct

³⁸³ Sin with Sebastian: Shut up

³⁸⁴ The Beatles: Why don't we do it in the road?

³⁸⁵ Patty Smith: Because the Night

³⁸⁶ The Supremes: Stop! In the Name of Love

³⁸⁷ Billy Currington: People are crazy

Last orders!³⁸⁸

Jack: The bells, the bells.

Johnny: So loud a man can't think

Jack: The bells, the bells.

Johnny: Is there time for another drink?³⁸⁹

Jack: This is our last order:³⁹⁰

One bourbon, one scotch.

Johnny: One beer.³⁹¹

Moe: Do you remember, the bills you have to pay?³⁹²

You've gotta pay and pay and pay.³⁹³

You've got to pay the price.³⁹⁴

Johnny: On my way, you know I won't pay your price.³⁹⁵

Moe: You never give me your money.³⁹⁶

Johnny: Free beer that's my favourite brand.

If I didn't have to buy it, it's the best beer in the land.

Warm flat funky it don't matter to me.

The greatest beer in this whole world

Is the one you buy for me.³⁹⁷

Moe: Help the aged, one time they were just like you,

Drinking, smoking cigs and sniffing glue.³⁹⁸

Now you can't walk away from the price you pay.³⁹⁹

³⁸⁸ The Fall: Last Orders

³⁸⁹ Cock Sparrer: Last Orders

³⁹⁰ Front 242: Last Order

³⁹¹ John Lee Hooker: One Bourbon, one Scotch, one Beer

³⁹² David Bowie: Young Americans

³⁹³ The Only Ones: You've got to pay

³⁹⁴ Gloria Gaynor: You got to pay the Price

³⁹⁵ Motörhead: (I won't) Pay your Price

³⁹⁶ The Beatles: You never give me your Money

³⁹⁷ Da Yoopers: Free Beer

³⁹⁸ Pulp: Help the Aged

Jack: Here have a dollar,
In fact now brotherman here have two.
Two dollars means a snack for me,
but it means a big deal to you.⁴⁰⁰

Moe: And now the end is near,
And so I face the final curtain,
My friend I'll say it clear:⁴⁰¹
I'm so tired, I haven't slept a wink,
I'm so tired, my mind is on the blink,
I wonder should I get up and fix myself a drink,
No, no, no.⁴⁰²

Jack: Good night, friends, for me it's about time to leave.
What I yet had to say
It takes a cigarette and a last glass while standing.

Johnny: For the day, for the night,
Beneath your roof be thanked.

Jack: For the place at your table.

Johnny: For each glass that I drank.

Jack: For the dish that you put aside yours
As if there would nothing be more natural around the world.⁴⁰³

Johnny: One bourbon, one scotch, one beer.⁴⁰⁴

Drive the dark clouds far away.⁴⁴¹

Johnny & Jack (singing most beautifully):

Lullaby and good night,
In the sky stars are bright,
May the moons silvery beams
Bring you sweet dreams.
Close your eyes now and rest,
May these hours be blessed
Till the sky’s bright with dawn,
When you wake with a yawn.
Go to sleep, little one,
Think of puppies and kittens,
Go to sleep, little one,
Think of butterflies in spring.
Go to sleep, little one,
Think of sunny bright mornings,
Hush darling one,
Sleep through the night,
Sleep through the night,
Sleep through the night.⁴⁴²

Johnny: See you later alligator.

Turn down the sound, turn off the light.
Close my eyes and I quietly whisper:
Goodnight.⁴⁴⁵
Raindrops keep falling on my head,
But that doesn't mean my eyes will soon be turnin' red.
Crying's not for me,
'Cause I'm never gonna stop the rain by complaining.⁴⁴⁶
Let the stormy clouds chase
Everyone from the place.
Come on with the rain,
I've a smile on my face.⁴⁴⁷
There ain't no man, no woman,
No beast alive that can beat me,
'Cause I'm born to fight.⁴⁴⁸
The day breaks and everything is new ...⁴⁴⁹
Such a feeling's coming over me,
There is wonder in most everything I see,
Not a cloud in the sky got the sun in my eyes,
And I won't be surprised if it's a dream.⁴⁵⁰
Sometimes I feel I've got to run away,
I've got to get away.⁴⁵¹

 If not today then
 What about tomorrow?⁴⁵²
 Gonna leave this town, yeah.⁴⁵³
 There's a feeling I get when I look to the west,
 And my spirit is crying for leaving.⁴⁵⁴
 Someday I'll wish upon a star
 And wake up where the clouds are far
 Behind me.
 Where troubles melt like lemon drops
 Away above the chimney tops,
 That's where you'll find me.
 Somewhere over the rainbow
 Bluebirds fly.
 Birds fly over the rainbow.
 Why then, oh why can't I?⁴⁵⁵
 Gonna leave this town, yeah.⁴⁵⁶
 Some day you will find me
 Caught beneath a landslide
 In a champagne supernova in the sky.⁴⁵⁷
 I want to be where the sun warms the sky,

 Where girl loves a boy and a boy loves a girl.

He, She & It @ Nowhere Land

A short play written in quotes by The Beatles

Actors:

He, seems to be male

She, seems to be female

It, seems to be something different

(It is already there at Nowhere Land)

It: Is there anybody going to listen to my story,

All about the girl who came to stay?⁴⁷⁴

Well, she was just seventeen,

You know what I mean,

And the way she looked was way beyond compare.⁴⁷⁵

(She enters. Sits down on a chair, perhaps.)

It: Something in the way she moves

Attracts me like no other lover,

Something in the way she woos me.⁴⁷⁶

She: Every night when everybody has fun,

Here I am sitting all on my own.⁴⁷⁷

Every night the tears come down from my eyes.

Every day I've done nothing but cry.⁴⁷⁸

(He enters. Sits down on a chair, perhaps.)

It: I am he

⁴⁷⁴ Girl

⁴⁷⁵ I Saw Her Standing There

⁴⁷⁶ Something

⁴⁷⁷ It Won't Be Long

⁴⁷⁸ It Won't Be Long

As you are he
As you are me
And we are all together.⁴⁷⁹
He's a real Nowhere Man,
Sitting in his Nowhere Land,
Making all his Nowhere plans for nobody.
Doesn't have a point of view,
Knows not where he's going to,
Isn't he a bit like you and me?⁴⁸⁰

He: There are places I remember
All my life, though some have changed.
Some forever, not for better,
Some have gone and some remain.

It: All these places had their moments,
With lovers and friends I still can recall,
Some are dead and some are living,
In my life I've loved them all.⁴⁸¹⁴⁸²

He: Been away so long I hardly knew the place.
Gee it's good to be back home.⁴⁸³
Anyway you'll never know the many ways I've tried, but still they
lead me back to the long, winding road.⁴⁸⁴
(Talking to her or himself or both.)
Well my heart went boom when I crossed that room.⁴⁸⁵
The sun is up, the sky is blue.
It's beautiful and so are you.⁴⁸⁶

 I didn't know what I would find there.⁴⁸⁷
 Anyway you'll never know the many ways I've tried, but still they
 lead me back to the long, winding road.⁴⁸⁸
 Another road where maybe I
 Could see another kind of mind there.
 Ooh then I suddenly see you.⁴⁸⁹
 It took a long, long, long time,
 Now I'm so happy I found you.⁴⁹⁰
 And now the thought of meeting you
 Makes me weak in the knee.⁴⁹¹
 The world was waiting just for you.⁴⁹²
 How does it feel to be one of the beautiful people?⁴⁹³
She: You're giving me the same old line
 I'm wondering why.⁴⁹⁴
He: Why am I so shy when I'm beside you?⁴⁹⁵
 Ask me why
 I'll say I love you and I'm always thinking of you.⁴⁹⁶
It: It's only love and that is all.⁴⁹⁷
He: Do you need anybody,
 I just need somebody to love.⁴⁹⁸

When I feel blue,

And it's my mind.⁵⁰²

It: All the lonely people, where do they all come from?

All the lonely people, where do they all belong?⁵⁰³

He: Should you need a love that's true, it's me.⁵⁰⁴

When I look into your eyes

Your love is there for me

It: She loves you yeah, yeah, yeah.⁵²⁶

He: You say yes?

She: I say no!

It: You say stop.

She: And I say go, go, go.

He: Oh no.⁵²⁷

She: You tell me that you've heard every sound there is,

And your bird can swing,

But you can't hear me.

It: You can't hear me.⁵²⁸

She: And so I'm telling you this time you'd better stop.⁵²⁹

It: You want her, you need her,

And yet you don't believe her,

When she says her love is dead,

You think she needs you.⁵³⁰

He: You say goodbye and I say hello, hello, hello.

I don't know why you say goodbye, I say hello, hello, hello.⁵³¹

It: You're gonna lose that girl, you're gonna to lose that girl.

If you don't take her out tonight, she's gonna change her mind.⁵³²

He: Oh dear, what can I do?

Baby's in black and I'm feeling blue,

Tell me, oh what can I do?⁵³³

It: It's been a hard day's night,
And I've been working like a dog,
It's been a hard day's night,
I should be sleeping like a log.⁵³⁶

He: Half of what I say is meaningless
But I say it just to reach you.⁵³⁷

She: I've got a chip on my shoulder
That's bigger than my feet.
I can't talk to people that I meet.⁵³⁸

He: Listen, do you want to know a secret,
Do you promise not to tell, Whoa ...
Closer let me whisper in your ear,
Say the words you long to hear,
I'm in love with you.⁵³⁹

She: I ain't no fool and I don't take what I don't want.⁵⁴⁰

He: I wonder should I call you.⁵⁴¹

She: Carve your number on my wall and maybe you will get a call

She: Ring my friend I said you'd call Doctor Robert,

Day or night he'll be there anytime at all,

Doctor Robert.⁵⁴⁵

He: I tried to telephone,

They said that you were not home, that's a lie,

Cause I know where you've been,

I saw you walk in your door,

I nearly died, I nearly died,

Cause you walked hand in hand

With another man in my place.⁵⁴⁶

She: I've got nothing to say but it's O.K.⁵⁴⁷

He: When you told me

You didn't need me anymore

Well you know I nearly broke down and cried.⁵⁴⁸

It: He'll regret it someday

But this boy wants you back again.⁵⁴⁹

But I saw you peep through your window,
I saw the light, I saw the light,
I know that you saw me,
Cause I looked up to see your face.⁵⁵⁴

She: What makes you think you're something special when you smile.⁵⁵⁵

He: Somewhere in her smile she knows

That I don't need no other lover.⁵⁵⁶

Being here alone tonight with you,

It feels so right now.⁵⁵⁷

Although I laugh and I act like a clown,

Beneath this mask I am wearing a frown,

My tears are falling like rain from the sky,

Is it for her or myself that I cry.

I never needed anybody's help in any way,
But now these days are gone and I'm not so self assured,
Now I find I've changed my mind I've opened up the doors.⁵⁶³
Suddenly, I'm not half the man I used to be
There's a shadow hanging over me
oh, yesterday came suddenly.⁵⁶⁴
The world is treating me bad, misery.
I'm the kind of guy who never used to cry.
The world is treating me bad, misery.⁵⁶⁵

I may not have a lot to give,
But what I got I'll give to you.
